

Pitbull awareness day! October 22nd

Pit Bulls are commonly used as therapy dogs.

Pit Bulls are used in Search and Rescue work.

Pit Bulls serve as narcotic and bomb sniffing dogs.

Pit Bulls score an 83.4% passing rate with the American Temperament Test Society. That's better than the popular Border Collie (a breed who scores 79.6)

Don't discriminate, educate! With knowledge of the pitbull you can learn how great of a pet they really are. Please consider making a difference in a pitties life by adopting, fostering, donating or volunteering today!

Pit Bulls are not human aggressive.

The Pit Bull was so popular in the early 1900's they were our mascot not only in World War One, but World War Two as well.

Pete the Pup on the original Little Rascals was a Pit Bull.

Pit Bulls are great with kids. They weren't referred to as the "nanny's dog" for nothing that's for sure.
